**HEMET, CA CODE OF ORDINANCE - CHAPTER 66 ARTICLE VI**

**Sec. 66-152. - Obstructing inspections.**

A person shall not obstruct the director of public works in making any inspection to determine compliance with the conditions of a permit issued under this article.

(Ord. No. 709; Code 1984, § 13301)

**Sec. 66-154. - Display of permit.**

A permittee under this article shall make the permit available for inspection by the director of public works or by any peace officer or other public officer or employee having responsibility for safety or maintenance of the city streets. Each permit for moving must be in or attached to the vehicle or combination of vehicles to which it refers. In cases where a building or structure is moved in more than one section at the same time, on each section on which the original permit is not attached there shall be affixed a true copy of the original permit.

(Ord. No. 709; Code 1984, § 13303)

**Sec. 66-155. - Cancellation of permit.**

The director of public works, for cause, may cancel a permit issued under this article unless the permitted activity is commenced within the time specified and is diligently prosecuted to completion.
