City of Hemet Announces Independence Weekend Drone Show Sponsored by Hemet Auto Mall

HEMET, CA – The City of Hemet is proud to announce a one-of-a-kind Independence Weekend Drone Show, presented in partnership with the Hemet Auto Mall Association. This free, family-friendly celebration will take place on Saturday, July 5, from 4:00 p.m. to 10:00 p.m. at the Hemet Auto Mall on Auto Mall Drive.

The event will feature a spectacular drone light show beginning at 9:00 p.m., over 30 food trucks, live music, games, giveaways, and activities for all ages, making it a standout celebration for the City of Hemet. Attendees are encouraged to bring lawn chairs and blankets. Free parking will be available throughout the auto-mall campus.

Developed through a close collaboration between city officials and Hemet Auto Mall management, the Independence Weekend Drone Show strengthens the ongoing partnership between the City of Hemet and the Hemet Auto Mall. It also offers a unique opportunity for community members to connect with local dealerships, promoting both civic pride and economic growth.

City Manager Mark Prestwich added, “The City is thrilled to partner with the Hemet Auto Mall to celebrate our nation’s independence with a modern, eco-conscious drone show that promises to be a fun, family-friendly experience for our community.”

We invite all residents of Hemet and the surrounding region to join in this festive evening as the community comes together to help make history, with Hemet’s first-ever drone show.
