

Dear Residents of the City of Hemet,

Lennar Homes will be closing the section of Warren Rd., spanning from Poplar St. to Mustang Way, to safely construct the Warren Rd. Sewer and Street Improvements fronting Lennar's residential development located at the intersection of Warren Rd and Mustang Way (Tract 35393-1).

The closure will begin on June 2, 2021 and reopen on August 4, 2021. Northbound traffic will be detoured onto Poplar St., Fisher St. and Mustang Way. Southbound traffic will be detoured onto Mustang Way, Fisher St. and Poplar St.

Lennar Homes will host a public outreach meeting via **Zoom** to discuss specifics of the Warren Rd. Temporary Closure and Traffic Detour Plan. The meeting will contain a Q&A session that will provide residents of the City of Hemet the opportunity to ask Lennar questions regarding the upcoming road closures. The video conference is accessible by following the directions outlined below.

Do not hesitate to contact me if you have any questions regarding the upcoming public outreach meeting. My contact info is below:

Jeremiah Acayturri
Project Manager
