

JOHN PETTY
Candidate's Statement

Things have got to change in the City of Hemet!

While many of my closest friends have chosen to leave our beautiful valley, I have made the firm decision to stay and fight. For those law-abiding families that make up the vast majority of our community – you deserve better for your hard-earned tax dollars. The time for committees and consultants is over. The time for action is now. Within 30 days of my election, at a minimum, I will initiate the following:

1. An immediate increase of patrol officers on the street. We have the resources from Measure U – we need the resolve to make it work.
2. A reduction of social service magnets. Top priority is to immediately repeal the City Council's recent approval of a 280 bed Riverside County facility for homeless with severe psychiatric problems.
3. Passing and/or enforcing tough "quality of life" ordinances including truancy, trespassing, graffiti, and loitering measures. We need to do whatever it takes to make vagrants, vandals, and criminals not want to be here.

"All that is necessary for the triumph of evil is that good people do nothing."

A vote for John Petty is a vote for action.
