Hemet Announces 2024 Home and Business Beautification Contest

Hemet, Calif. – The City of Hemet has launched the Hemet Beautification Contest, an initiative to promote community involvement and keep our city a beautiful place to live, work, and play. The Contest invites residents and businesses to participate in beautification efforts that will contribute to a more vibrant and attractive community for the opportunity to win cash prizes.

The Hemet Beautification Contest will run from May 9, 2024 to August 4, 2024. With categories for both residential and commercial properties, the Contest offers a total of \$7,000 in prizes, including two citywide winners receiving \$1,000 each and five Council District winners receiving \$1,000 each.

"We want people to show their pride in their homes and businesses, and celebrate outstanding property management," said Mayor Joe Males. "By participating in the contest, residents and businesses can play a direct role in enhancing the aesthetic appeal of Hemet's residential and commercial properties."

Participants in the Hemet Beautification Contest will be judged based on curb appeal, creative landscaping, architectural enhancements, sustainability practices, and adherence to contest rules. Winners will be selected by a panel of judges, with public voting determining the winners of the Council District awards. Participants must adhere to all relevant municipal codes and regulations, including property maintenance, landscaping, signage, and outdoor displays.
